INTERNATIONAL FACULTY

Dr. Vijay K. Anand is a world renowned endoscopic sinus surgeon who was instrumental in developing image guidance in endoscopic sinus surgery and anterior skull base surgery. He graduated from Madras Medical College in India with honors and has won many awards in the field of medicine. He trained at Manhattan Eye Ear and Throat Hospital in Otolaryngology and currently is the Director of the Rhinology lab and postgraduate education in Rhinology at Weill Medical College of Cornell University and New York Presbyterian Hospital in New York. The Rhinology lab which has been funded by numerous private foundations is dedicated to research in basic

and clinical sciences. He was the President of the American Rhinologic Society in 1995 and has been a pioneer in the development of endoscopic sinus surgery and its extended applications. He has published widely in the field of Rhinology and is the author of the Textbook on Practical Endoscopic Sinus Surgery. He has been the Course Director and has conducted more than 25 courses in Advanced Endoscopic Sinus surgery at the Weill Medical College of Cornell University. He is the recipient of the Outstanding Teacher Award in Rhinology from the American Rhinological Society. He is a sought after speaker in the field of Rhinology and is a Clinical Professor of Otolaryngology at the Weill Medical College of Cornell University in New York as well as co-director of the Institute for Minimally Invasive Skull Base Surgery

Dr. Theodore H. Schwartz received his undergraduate and medical degrees from Harvard University where he graduated Magna Cum Laude. After completing his residency and chief residency in Neurosurgery at The Neurological Institute of New York at Columbia-Presbyterian Medical Center, Dr. Schwartz completed advanced fellowship training at Yale-New Haven Medical Center in the surgical treatment of brain tumors and epilepsy. Dr. Schwartz specializes in image-guided minimally invasive surgical techniques such as stereotaxis, endoscopy and intraoperative MRI, and has received numerous awards and fellowships including the prestigious van

Wagenen Fellowship, awarded by the American Association of Neurological Surgeons and the von Humboldt Fellowship, awarded by the German Government. Dr. Schwartz is an Associate Professor of Neurological Surgery at Weill Cornell Medical Center, New York Presbyterian Hospital, surgical director of the Comprehensive Epilepsy Center, as well as co-director of the Institute for Minimally Invasive Skull Base Surgery.
